Music by local legends, Jessica and the Rabbits.

Our Patron, Sir Edward Bolitho, Lord Lieutenant of Cornwall, writes: "The shocking statistics speak for themselves: Too many people are being faced with the devastating diagnosis each year - Throughout the UK that extends to a staggering 16,000 people."

The incidence of Brain tumours is particularly high in the South West. By joining us at this event, you're supporting your local team of Neurologists, Surgeons and Scientists. Local Brain Tumour Research is already being used to save lives.
