

Read on.....

Anticipating that distance may be a factor for some, why not make the party an excuse for a week-end break in God's own County at a time when the tourists (bless them) have left and we have the roads, stunning walks, coasts and beaches to ourselves?

Eden can accommodate only 20 tables and they are steadily being taken up, so early reservation is advised. Eden have also kindly spared us from their recent price rises enabling us to provide excellent value for money.

Of course, individual couples are absolutely welcome to book tickets and indeed we hope many will do so – again early booking is advised.

You can choose the name of your table – within the bounds of the law! - and there will be a modest prize and huge round of applause for the most inventive.

You may be aware that the Foundation has a long association with local research into Brain Tumours. One of our eminent Neuro-Surgeons, will explain how the support many of you continue to provide through the charity is already making a difference.

As a charity it will help our cashflow if you pay on booking, but if you prefer, all you have to do is reserve by phone, email or [with this link](#). Never fear, our administrator, Louisa, will be after you soon enough for the money!

Black Tie is optional and experience shows that most tables opt for such.

Nearer the time Louisa will be asking you for guest names and seating preferences.

Peter Cauldwell is conducting what looks to be an amazing charity auction and MC David Fitzgerald will ensure the evening runs seamlessly and we all behave. Mostly.

The Trustees look forward to welcoming you to this special occasion.

Best Wishes

Adrian Coplestone (Chair) and Denis Wilkins (Trustee)
